

FASTNER & FLUID CONTROL

EDITION 2

With owner managed excellence and a drive for the success of our customers, we try our best to ensure their growth and partnering their projects as a constant reliable and trusting partner. With a “resolve and repeat” approach, we treat each inquiry and project with the objective to resolve our customers need and repeat that success.

Fastner & Fluid Control has a core value imprinted on to every individual, enforced and driven with a tenacious and positive attitude. When problems arise, our motto is “CHALLENGE ACCEPTED!”.

OUR PROMISE TO OUR CUSTOMERS:

BEST QUALITY

UNCOMPROMISING SERVICE

RELIABLE AFTER SALES SERVICE

YOUR SATISFACTION

24 HOUR SERVICE DELIVERY

Vision statement: To provide our customer with uncompromising services and a reliable after service. Our future specially depends on customer satisfaction; thus, this is of utmost importance to us as a Company.

Mission statement: We as Company supply only the best quality products to our customers to ensure absolute customer satisfaction. We pride ourselves in a 24-hour service delivery and have stand-by at all given times to support our customers. We also offer warranty repairs and standard repairs on all machines supplied, thus enabling our customers to continue production continually.

At your service

WE ARE PROUD TO OFFER A COMPREHENSIVE RANGE OF PRODUCTS TO THE PETROCHEMICAL, MINING, AUTOMOTIVE, AGRICULTURAL, CONSTRUCTION, HYGIENE AND ENGINEERING INDUSTRIES:

- ☐ **FASTENERS**
- ☐ **CHEMICAL ANCHORS**
- ☐ **HAND TOOLS**
- ☐ **POWER TOOLS**
- ☐ **PNEUMATIC POWER TOOLS**
- ☐ **CUTTING & GRINDING**
- ☐ **TAPS & DRILLS**
- ☐ **WELDING**
- ☐ **FLUID TRANSFER & PRESSURE TESTING**
- ☐ **PIPING EQUIPMENT**
- ☐ **LIFTING**
- ☐ **TESTING EQUIPMENT**
- ☐ **HIGH PRESSURE WASHERS**
- ☐ **AIRLESS SPRAYING**
- ☐ **GENERATOR POWER**
- ☐ **COMPRESSORS**
- ☐ **HYDRAULIC POWER**
- ☐ **AUTOMOTIVE**
- ☐ **LUBRICANTS & SEALING**
- ☐ **CLEANERS & DEGREASERS**
- ☐ **PAINT**
- ☐ **SAFETY & PROTECTION GEAR**

FASTENERS

- **MILD STEEL (BOLTS & NUTS)**
- **HIGHTENSTILE (BOLTS & GRADE 8 NUTS)**
- **CAP SCREWS (COUNTERSUNK, GRUB)**
- **THREADED ROD (MILD STEEL, HT, STAINLESS)**
- **IMPERIAL (UNC & UNF)**
- **ANY SPECIAL MACHINING/FORGING (AS PER CUSTOMER REQUIREMENT)**
- **ANCHOR BOLTS MECHANICAL (RAWL, WEDGE, SLEEVE ANCHORS)**
- **ANCHOR BOLTS CHEMICAL**
- **METRIC FINE (COMPLETE RANGE)**
- **NUTS (SPRING, FLANGE, CASTLE, NYLOCK, HALF LOCK)**
- **STAINLESS STEEL (A2/304, A4/316)**
- **TEKS SCREWS (SELF DRILLING, WAFER TEKS, HARDWARE)**
- **NAIL IN ANCHORS (ALL SIZES)**
- **COMPLETE RANGE OF AUTOMOTIVE BOLTS & NUTS**
- **FOUNDATION BOLTS**
- **FRICTION GRIP**
- **B7 & B16 STUDS COMPLETE WITH 2H NUTS**
- **ALL MILD STEEL/HIGHTENSTILE FASTENERS (BLACK, ELECTRO GALV, HOT DIP GALV)**
- **PRE-PACK RANGE ON ALL FASTENERS**

CHEMICAL ANCHORS

CHEMICAL ANCHOR SOLUTION FOR CONSTRUCTION

IKA
- ANCHORS -

Potented Design Improved mixing nozzle capability Dispenses IKA chemical anchor with better leaving less wasted resin.	Steel Anchor "Stuck" (Steel) Rapidly cures concrete. With a fast and reliable bond have had tested for long resistance. Additionally the high cost, is necessary for repair in square or rectangular. With range of choice of weights and fast curing. Stainless Steel A2 (304) / A4 (316) available.	Sealed glass capsule unit which is designed for a "Minimise air penetration (easy to install) (resistant). For use only in solid concrete. Each capsule contains an optimum measured proportion of high strength resin. Ideal for other extension applications.	Very popular Sealed glass capsule unit which is designed for a "Span-in" installation. Must be used with angle-cut studing. For use only in solid concrete. Each capsule contains an optimum measured proportion of high strength resin.	Nylon Perforated Sleeves For Hollow Walls. Comes in various sizes and lengths depending on Stud thickness and length. Also available in Steel 1 meter lengths. Contains the chemical, displacing chemical into the cavity, ensure the best possible fixing point. To be used with the injection chemical type.
IKA-CES - 500ml Injection chemical Delivered through injection gun and mixing nozzle. European approved for use in cracked and non-cracked Concrete, fire rated and seismic CE rated. Hands toll above other brands of this calibre.	IKA-DT - 900ml Injection chemical Fast curing, delivered through mixing nozzle and Standard available. Stainless Steel. It is readily supplied. Ideal for fast work, and hollow walls. Also suitable as a filler for gaps and crack repairs.	IKA-DY - 165ml Injection chemical Fast curing, delivered through a mixing nozzle and Standard available. Silicon gun. It is readily supplied. Has the advantage of European Approvals for Concrete and repair. Gives the user the economic advantage for all home projects.	IKA-CPE - 300ml Injection chemical Fast curing, delivered through a mixing nozzle and Standard available. Silicon gun. It is readily supplied. Advantage of European Approvals for Concrete and repair. Improved formula and durability.	IKA-CV - Rapid Injection chemical Fast curing, delivered through injection gun for all filling. It is readily supplied. Has the advantage of European Approvals for Concrete and repair. Improved formula and durability.

Sikaflex® -11 FC POLYURETHANE MULTIPURPOSE CONSTRUCTION ADHESIVE SEALANT

APPLICATIONS :
COVER PLATES, GASKETS, ACOUSTIC CEILING TILE, DOOR SILL, FLOOR MOULDING, WOOD OR METALS DOOR FRAMES, ROOF TILES, AIR DUCTS, CONTAINERS & TANKS, WATER RETAINING STRUCTURE, ALUMINIUM FABRICATIONS, BOLTED LAP JOINTS, WALL/FLOOR JOINTS.
GOOD ADHESION TO WIDE RANGE SUBSTRATE
HIGH MOVEMENT CAPACITY
UV & WEATHER RESISTANCE
WATER RESISTANCE

Sikaflex® 11 FC+
1-PART ELASTIC JOINT SEALANT AND MULTIPURPOSE ADHESIVE

CLEANERS & DEGREASERS

FASTNER & FLUID BRAND including:

- Hand cleaning & care / skin & bathroom hygiene
- Kitchen cleaning products
- Food safe cleaners and disinfectants
- Liquid detergents / dishwashing liquid / kitchen cleaning
- Disinfectants , fresh cleaning , biocidal , QAC based
- Personal care , shower & bath products
- Laundry care , softeners and washing powders
- Floor care , polishes and wax strippers
- Powder cleaners , floor degreasing powder
- Car care / automotive cleaning / silicones / valet products
- Air fresheners
- Degreasers / all-purpose / carpet shampoo / spot cleaner / low foam
- Degreaser, solvent based, specialized
- Acid based cleaner / toilet bowl cleaner / drain cleaner
- Pool care
- Weed killer
- Chemicals various, small pack
- Automotive
- Industrial products / metal treatments / degreasers
- Green range – biological enzyme treatment and cleaner
- Orange Power range – citrus based environ-cleaners
- DIY, industrial degreasers / additive's / super concentrates
- Aerosol products, fresheners, polish
- Trigger spray's, packaging & miscellaneous

PAINT

- **RAM (WHOLESALE)**
- **COMPLETE RANGE OF QUICK DRYING PAINTS & THINNERS**
- **QD 2-IN-1 SOLVENT BASE SYSTEM DIRECT TO METAL (NO PRIMER REQUIRED)**
- **SPECIALIZED COATING SYSTEMS & ROAD MARKING**

Ideal for the following applications:

Industrial

Roof

Interior

Exterior

Ceilings

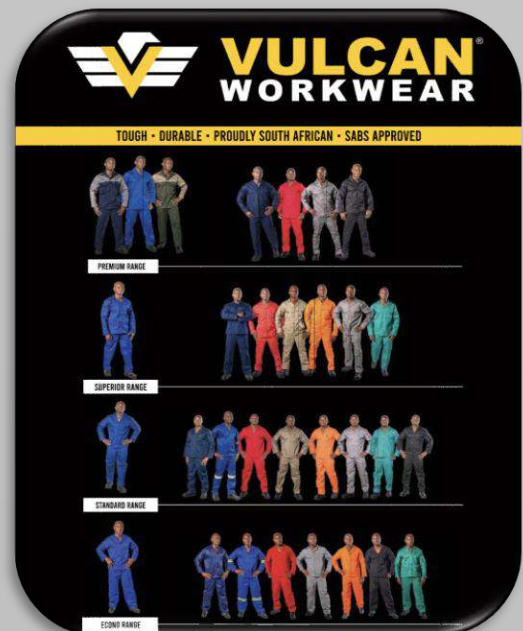

Wood

SAFETY & PROTECTION

- **HARNESSES (*FASTNER & FLUID SABS APPROVED*)**
- **SUPPLY, INSPECTION & TRAINING**
- **FALL ARREST BLOCKS**
- **PERSONAL PROTECTIVE EQUIPMENT (*COMPLETE RANGE*)**
- **VULCAN ACID/FLAME CONTI SUITS AND BOILER SUITS (*SABS APPROVED AND SASOL SPEC.*)**
- **FIRST AID BOXES**
- **RESPIRATORS**
